FOR IMMEDIATE RELEASE
3/19/2020

COVID-19 COMMUNITY UPDATE

Skagway, Alaska, March 19, 2020 – The Municipality of Skagway (MOS) is working diligently to prevent the spread of COVID-19 in the community. At this time there are no known cases in Skagway. As of 9:00 AM today, there are nine (9) confirmed cases in Alaska. In order to mitigate the spread of the virus, the MOS would like to reiterate and urge that everyone to follow these guidelines until further notice:

- If have traveled overseas or through Seattle or Vancouver, we ask that you self-isolate for 14 days. Self-isolation means do not go to work, school or public areas. Do not have visitors, such as friends and family, where you are self-isolating. Do not go out to buy food, visit the post office or collect medicine – order them by phone or online, or ask someone else to drop them off at your home. Please see attached list of these local businesses that are providing this service.
- Please notify the Dahl Memorial Clinic (907) 983-2255 during business hours when you return to Skagway. If it is after business hours and you experience new symptoms like fever and cough, or shortness of breath, please call the on-duty provider at the clinic's emergency line (907) 983-2025. For non-clinical questions, please call 211.
- To assist patients with continuing care at Dahl Memorial Clinic, curbside medication pickup will be available during business hours. When your medication is ready for pickup, park in the designated spot in front of the clinic, call us at 983-2255 extension 2, and a member of staff will bring your medication to you.
- To facilitate the early identification of persons who may have COVID-19, Dahl Memorial Clinic will begin conducting curbside testing starting Monday, March 23, 2020. Please CALL the clinic first during business hours for initial screening. If a provider recommends testing you will be directed to a clinic parking spot on Broadway where medical staff will assist you.
- The Municipality of Skagway has updated their website with a dedicated Coronavirus (COVID-19) Information page and included links to up-to-date information about COVID-19 in Alaska and the Nation. You will also find previous press releases, letters and declarations related to COVID-19. www.skagway.org/covid19
